W Lloyd Garrison

52

My dear friend

I have read not
with approval only, but with
rejoicing also, your article in
the last Independent. I am
glad that so much as ever
we may count on from
Garrison amidst this Boston
Race frenzy.

I had some hope that I
might see you at the Chicago
Temperance Convention. But I
remember that not even yet have
we a Constitution under which
you are willing to vote -

My wife joins me in love to you
and wife & yourself - Truly yours
Smith
